FAKE WEBSITE AND BANK ACCOUNT ALERT

Dear Esteemed Customers,

Beware of Scammers

It has come to our notice that scammers are setting up fake websites with similar names to ours to deceive passengers. Our official website is www.ethiopianairlines.com and you can download our mobile app for easier and safer transactions.

Ethiopian Airlines' officers do not call you for payment or ask you to transfer money to any specific bank account. Ethiopian has city offices and airport offices in four cities in Nigeria, namely Kano, Enugu, Abuja and Lagos; you may visit our offices for any further information.

Please do crosscheck all links before making payments.
